PUBLIC NOTICE OF AVAILABILITY
DRAFT ENVIRONMENTAL ASSESSMENT
SHREVEPORT REGIONAL AIRPORT
AIRPORT TRAFFIC CONTROL
TOWER (ATCT) RELOCATION

The Shreveport Airport Authority, in cooperation with the Federal Aviation Administration (FAA), announces the availability for review of the Draft Environmental Assessment (EA) for the Airport Traffic Control Tower (ATCT) Relocation at the Shreveport Regional Airport. The Draft EA will be available for review starting January 6, 2025, for a 30-day comment period ending February 6, 2025.

A Public Meeting will be held to discuss this project on January 30, 2025, from 5:00 pm to 7:00 pm at SPAR Airport Park Community Center, 6500 Kennedy Drive, Shreveport, LA 71109

Copies of the EA are available for public review at the following locations:

Shreveport Regional Airport Authority Administrative Office
(Hardcopy)
5103 Hollywood Ave., Shreveport, LA 71109

Shreveport Regional Airport Website (electronic copy)
https://flyshreveport.com/

Shreve Memorial Library – Mooretown Branch
(Hardcopy)
4360 Hollywood Ave, Shreveport, LA 71109

Shreve Memorial Library – West Shreveport Branch
(Hardcopy)
4380 Pines Rd, Shreveport, LA 71119

Review and Comment Period: Comments on the EA must be provided in writing to SHV_EA@Kutchins-Groh.com no later than 5:00 PM on February 6, 2025. Questions regarding this document or the proposed project can be directed to SHV_EA@Kutchins-Groh.com.
