NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND AVAILABILITY OF A FINAL ENVIRONMENTAL ASSESSMENT FOR A NEW AIRPORT TRAFFIC CONTROL TOWER AT THE SHREVEPORT REGIONAL AIRPORT SHREVEPORT, LOUISIANA

The Federal Aviation Administration (FAA) has made a Finding of No Significant Impact (FONSI) related to the approval of a new location for the relocated Airport Traffic Control Tower (ATCT) at the Shreveport Regional Airport. The FONSI is based on results documented in a Final Environmental Assessment (EA), completed in May 2025. The purpose of the Proposed Action is to relocate the existing ATCT at Shreveport Regional Airport (SHV) to a new site that meets current operational needs and allows future growth at the terminal. The relocation of the ATCT will free up space for essential terminal expansion and improve operational efficiency to accommodate increasing passenger demand and larger aircraft. The current ATCT location limits concourse growth and does not support the airport's long-term modernization goals. The new ATCT will be situated on land owned by the Shreveport Airport Authority, within the airport's designated development area.

The following Federal actions would be taken to support the Proposed Action:

- FAA approval of the revised Airport Layout Plan with the proposed development.
- Federal funding for eligible components of the above development.
- Modification and/or relocation of National Airspace System facilities or equipment necessary to enable project implementation.

The FONSI indicates that the Proposed Action is consistent with existing national environmental policies and objectives as set forth in the *National Environmental Policy Act of 1969* and other applicable environmental requirements and will not significantly affect the quality of the human environment.

Hard copies of the Final EA and FONSI will be available for review at the following physical locations for 30 days following this notice during normal business hours**:**

Shreveport Regional Airport Authority Administrative Office
5103 Hollywood Ave., Shreveport, LA 71109
